Those who are 65 years or older are also more vulnerable.

### **In-Person Gathering Protocols Throughout PSBC:**

1. **Masks are required and temperatures will be taken.** We encourage you to bring your own mask, but will have them available if needed.
2. Sanitize your hands before you attend. Wash hands for 30 seconds before leaving home and also use hand sanitizer before entering the church.
3. It is recommended that you check your temperatures of everyone attending church before leaving your home. If anyone has a temperature of 100 degrees or higher (per CDC), please remain at home.
4. Temperatures will be taken before individuals enter the building using a no-contact, infrared thermometer. No one with a temperature of 100 degrees or higher may enter the building.
5. You may sit with your immediate family members. We encourage groups to maintain as much space as possible from one another (3 to 6 feet) when inside the church building.
6. The following practices are temporarily **suspended**:
  - Physical contact like hugs, handshakes, holy kisses, etc. (Families are encouraged to consider children's abilities to abide by social distancing measures when determining their best option for worship.)
  - Printed bulletins, newsletters, people pads
  - Meet and Greet
  - Offering baskets (An offering box is located at the Coffee Corner and in the balcony.)
  - Serving of coffee and food
7. While restrooms are available, we recommend use is limited to minimize potential germ spread.

### **At-Home Option**

**We continue to provide a live broadcast on TV 2 and livestream on Facebook, Roku, and our website via Boxcast on Sunday mornings at 9 am.**

We look forward to corporately worshipping the Lord using both of these options. If you have questions, feel free to call the church office at 419.289.0224 or email [office@parkstreetbrethren.org](mailto:office@parkstreetbrethren.org).
