Park Street Brethren Church  
Nate Bebout  
James 3: 1-12

**Questions to reflect on:**

Park Street Brethren holds a value of Authenticity & Obedience.  
(We are authentic and sincere; we obey the teachings of Jesus and seek to conform to His likeness.)

- How can we allow our tongues to be authentic in what we say while still being obedient to Christ? Should we be able to have a place to vent without a filter, or should we always filter the words we speak?

- Which of the four examples Nate used spoke most to something Jesus wants to work with you on? (ref: James: The Power of Words)

- Who in your life does a good job speaking life and models who you'd like to become more like in the way you speak about others and things?

- Did Jesus bring anyone to mind as you listened to this sermon? What is He asking you to do?
